EXCERPT FROM MEMORANDUM TO DEPUTY DIRECTOR FOR SUPPORT

FROM DIRECTOR OF PERSONNEL, DATED 2 DECEMBER 1963

1. Early Retirement

We met with Mr. Ruddock and Mr. Brown of the Civil Service Commission on 26 November for further discussions of our cost estimates. Mr. Mason accompanied us to explain in greater detail the recent report of the Treasury Actuary on the Foreign Service Retirement Fund. At the conclusion of the meeting, Mr. Ruddock indicated that we could be assured that they would not "torpedo us" if Mr. Darden of the Senate Committee should contact them and that their comment would probably be along the lines that this is not the way that CSC would have done it but that they were in no position to prepare cost estimates covering our proposed system.
